REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1-4 and 63-68 are allowed because, the prior art of record specifically Miyabe et al. (US 5,606,628) does not teach pattern obtaining means for obtaining pattern information including *neighboring pixels* of each pixel *consisting of an outline* of an image represented by the image data inputted by said input means, wherein the neighboring pixels include at least one pixel adjacent to a pixel of interest in each of horizontal, vertical and oblique directions of the pixel of interest and embedding means for embedding watermark information into the image data based on the pattern information, by modifying the image data of claims 64 and 66 combined with other features and elements of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
